

Attachment 1
Points of Interest - Monitoring Site Locations

Explanation: The list below is a rough cut that can be expanded or reduced. Priority 2 sites would be sampled after priority 1 sites are completed, with a goal to collect monitoring data from as many sites as possible. SDA and NPCA noise experts, alongside community and elected leaders will provide input into a work plan and protocol process, and SLM sites.

SLM Location priority 1: 10 from Whidbey and 5 from the other regions

SLM Location priority 2: 8 from Whidbey and 7 from the other regions
